The Council for Tobacco Research, Inc.
900 Third Avenue
New York, N.Y. 10022

Dear Sir/Madam,

I am writing to inquire about grants from the Tobacco Council. I would appreciate receiving any information that you may have regarding this program as well as the necessary forms needed for an application for such grants. If there is more than one such program, I would like to obtain information and applications for all such programs. Thank you very much for cooperation in this matter.

Sincerely yours,

David T Harris
